Say you're sorry when you're sorry (to the tune of Just a Spoonful of Sugar)

Say you're sorry when you're sorry
When you know that you've been wrong

Say you're sorry to another
And your heart will sing a song
Say you're sorry when you're sorry
It's the best thing you can do
To make a nice warm feeling
Feeling deep inside of you

Say you're sorry when you're sorry
On this day – or any day
If you're sorry – say you're sorry
You can find the words to say

You can say it with a flower
You can say it with a touch
You can say it with a smile
And it will mean so very much

Say you're sorry when you're sorry
It's the best thing you can do
To make a nice warm feeling
Feeling deep inside of you

Curtains on the ark (to the tune of The Wheels on the Bus)

The curtains on the ark go open and shut
Open and shut, Open and shut
The curtains on the ark go open and shut
All through the shul

The shofah in the shul goes toot toot toot
Toot, toot toot, toot toot toot...

The bells on the torah go ting-a-ling a-ling
Ting a-ling aling, Ting a-ling a-ling....

The people in the shul stand up, sit down
Stand up, sit down, Stand up, sit down.....

The people in the shul go daven, daven daven....

Ting a ling

Ting a ling a ling the Torah comes
Bringing mitzvahs for some one
Ting a ling a ling the Torah comes
Ting a ling a ling it must be for ...you

Dip the Apple in the Honey (tune of My darling Clementine)

Dip the apple in the honey
Say the brachah loud and clear
Le'shana tova oomertucha
Have a sweet and happy year

Hashem is Here

Hashem is here
Hashem is there
Hashem is truly everywhere

Hashem is here
Hashem is there
Hashem is truly everywhere

Up, up, down, down
Right, left and all around
Here, there and everywhere
That's where he can be found.

Up, up, down, down
Right, left and all around
Here, there and everywhere
That's where he can be found.

Apples & Honey (Tune of Macarena)

Apples, apples, honey, honey.
They're so yummy in my tummy.
Apples, apples, honey, honey.
He-ey, it's Rosh Hashanah

Rosh Hashanah Is Here (Tune of Hickory, Dickory Dock)

Rosh Hashanah is here
It is the Jewish New Year
We blow the shofar,
To hear Shanah Tovah-
A Good New Year!

Five Little Shofars (count on fingers)

5 little shofars all in a row. The first one said, "I'm hard to blow."
The second one said, "My sound is low."
The third one said, "I'm the best you know."
The fourth one said, "That's really not so."
The fifth one said, "I've got to go."
Five little shofars in a row.
Five little shofars blow, blow, blow!

3 Juicy Apples (Tune of (Barney song) I love you, you love me)

Three little apples hanging on a tree.

Shiny, juicy, Waiting for me.

Here I come, shake, shake, shake.

Down come apples for me to take.

I'll wash them well, then I can eat.

Apples for a Rosh Hashana treat.

Three little apples hanging on a tree.

Shiny, juicy, Waiting for me.

The Ten Commandments Song

Hashem gave us the ten commandments

The Ten commandments, ten commandments

Hashem gave us the ten commandments

And this is what they say:

Listen to your mum and dad and do what they say

Have a nice rest on the Shabbat day

Never take other people's things away

It's all in the ten commandments.

Hashem gave us the ten commandments

The Ten commandments, ten commandments

Hashem gave us the ten commandments

And this is what they say:

I am your G-d never worship any other

Never tell lies about your sisters or your brothers

Enjoy yourself never envy others

Its all in the ten commandments

Ten- nine- eight-seven-six-five-four-three-two-one.
